ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

On July 22, 2023, the Court stayed discovery in this action pending determination of Delta's motion for clarification of the dismissal order in *Lee I* in the Central District of California. (Dkt. 61.) The order requires Delta to file a status report within 5 days of the *Lee I* court's decision on Delta's motion. On January 5, 2023, in response to an order from District Judge Ho to whom this case has been reassigned, Delta filed a status letter stating, inter alia, that on September 15, 2023, "the California Supreme Court declined to modify its existing dismissal order." (Dkt. 76.) By January 12, 2023, Delta shall file a letter (1) explaining whether reference to the California Supreme Court is incorrect and/or a reference to *Lee I*; (2) describing the status of Delta's motion for clarification in *Lee I*; (3) if the September 15, 2023 declination was the decision on Delta's motion for clarification in *Lee I*, showing cause why Delta did not file a status report with the Court within 5 days of that decision; and (4) if the September 15, 2023 order was the decision on Delta's motion for clarification in *Lee I*, proposing a schedule for the remainder of this case. Delta shall include with the letter a copy of the decision of the California court referred to in its status letter at Dkt. 76.

SO ORDERED.
